

Digital Quickstart

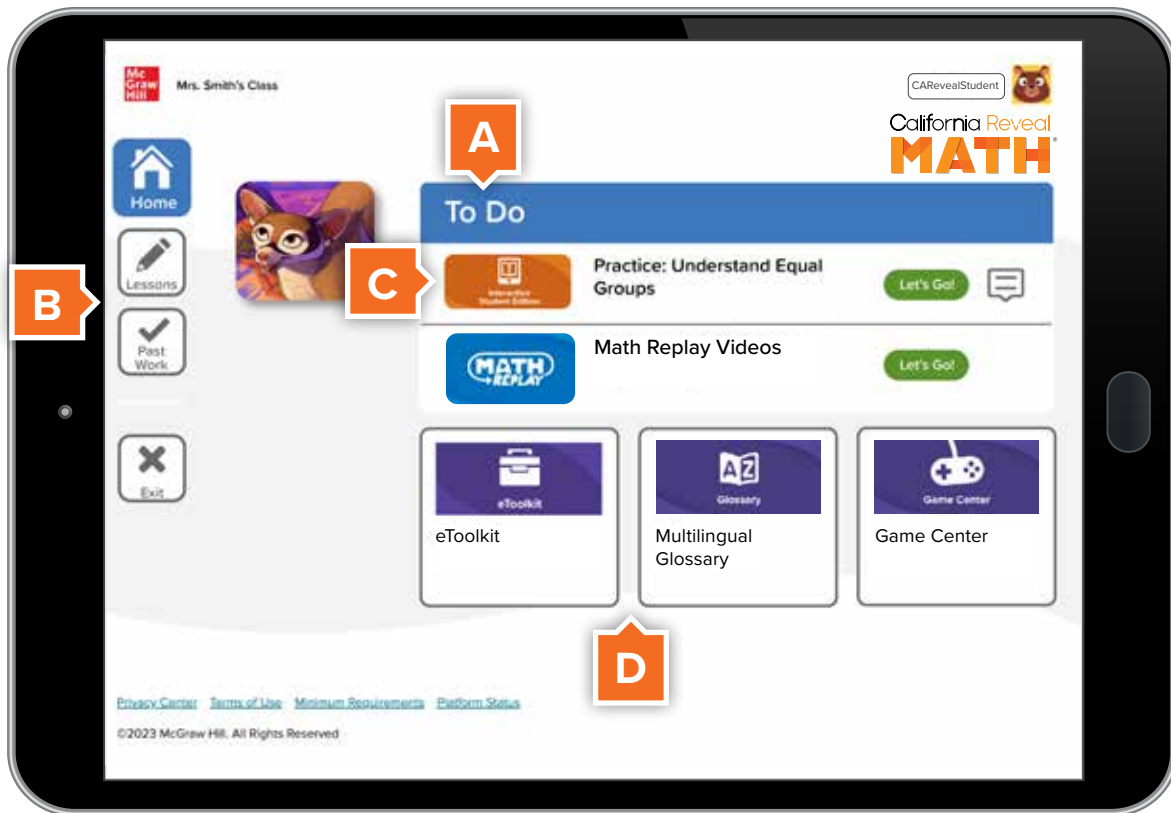

Visit mhecalifornia.com/reveal to request your online sampling credentials.
Once received:

1. Visit my.mheducation.com, log in with your username and password, and select your desired course.

Primary Navigation for the Digital Teacher Experience

- A. Use the **Menu** to quickly find your core program tools.
- B. Browse the **Table of Contents** to find a specific unit or lesson.
- C. **Search** content by standard or keyword.
- D. Access the **course eBooks** in English and Spanish, including:
 - **Teacher Editions**
 - **Interactive and print-aligned Student Editions**

Primary Navigation for the Digital Student Experience

Student-facing content can be navigated in the same way as the teacher-facing content.

- A. Open scheduled assignments or assessments in the **To-Do List**.
- B. Browse the **Lessons** and **Past Work** to view specific lesson resources throughout the course.
- C. Access **Student Editions**.
- D. Access the **eToolkit**, **Multilingual Glossary**, **Game Center**, and other helpful resources.
