Background Information

The following information might help you better understand this book:

- This Newbery-award winning story takes place on the Channel Islands, off the coast of southern California, and is based loosely on a true story of a woman left alone on an island in 1835.
- The author uses many words associated with the land features, plants, and animals of the island. Look up the definitions or images of these words to prepare for reading. Note that *bull* refers to a male, and *cow* refers to a female of an animal (sea elephant) or a plant (bull kelp).

land and coastal features: *canyon, current, dunes, headland, mesa, reef, tide, ravine, sandspit*

living creatures: *abalones, cormorants, leeches, scallops, sea otters, sea elephants, urchins*

plant life: *comul bush, kelp, lupines, toyon bushes, yucca*

WEEK 1 Think about It

Before reading *Island of the Blue Dolphins*, think about the following questions:

- Which cycles of nature would someone experience on an island?
- How important is it to understand the cycles of nature?
- How are cycles of nature used to tell time?
- How do the cycles of nature affect the activities you do?

Answer these questions on a separate sheet of paper, or discuss your thoughts with your classmates during Workshop.

WEEK 6 Talk about It

COMPREHENSION Answer the following questions to check your understanding after you finish reading *Island of the Blue Dolphins*. Write your answers on the lines below.

1. Compare and contrast how Karana feels about animals at the beginning of the story with how she feels about them at the end of the story.

2. How does Karana’s knowledge of natural cycles help her survive on the island, even during irregular events such as the earthquake?

3. The story “Hatchet” in the *Student Anthology* and *Island of the Blue Dolphins* are both adventure stories. Compare and contrast their approaches to similar themes and topics.

Write about It

Choose a written response to *Island of the Blue Dolphins* from the following list.

- Write some journal entries for Karana, choosing days from different seasons.
- Write a news story that describes the discovery of Karana on the island at the end of the book. Explain how her knowledge of the natural cycles helped in her survival.

Use the following steps to write:

PREWRITING Write your ideas in a bubble map. For journal entries, list the four seasons and record important events for each one. For a news story, write question words in each bubble along with questions a news reporter might ask. Then write details from the book to answer the questions. Think about the audience and the purpose before drafting.

DRAFTING Draft the journal entries or a news story. Be sure to use your completed graphic organizer as a guide. Be sure to change the notes into complete sentences, describing the events in your own words.

REVISING Reread your draft. Does it make sense? Should you rearrange some details? If you are writing journal entries, consider adding a date or season and how much time has passed. If you are writing a news story, consider adding a headline and opening line to grab readers' attention and make them want to read more.

EDITING Read through your revised draft. Look for spelling errors, missing punctuation, or grammatical mistakes. Make sure your classmates can read your handwriting.

PUBLISHING Make a clean copy of your edited draft. If you wrote a journal, consider drawing pictures to help describe events. If you wrote a news story, consider typing it up or recording it like you were a news anchor.

Wrap It Up

At the end of the week, share and discuss your writing with your classmates. Discuss any final questions you have about the story or the theme of *Cycles*. List any new ideas about cycles you learned from reading, discussing, or writing about *Island of the Blue Dolphins*.

Background Information

The following information might help you better understand this book:

- Today, if a freeway requires a fee for its use, that fee is often collected electronically. At the time this book was written, people dropped coins into a collection basket at a tollbooth, which would lift a gate allowing drivers to continue their journey on a well-maintained roadway.
- Look at the map at the beginning of the book. Although this story is a fantasy telling of “The Lands Beyond,” the author uses common geographic words such *mountains*, *seas*, *foothills*, *forests*, *valleys*, as well as *boroughs* and *municipalities* in the kingdom. Note that the names of the two main cities end in *-opolis*, using the Greek word *polis*, or “city,” to create the city name.
- This story is full of word play, including puns and idioms. In a *pun*, the writer uses a similar sounding word to make a funny double meaning, such as the character of the watchdog. “Watchdog” has a double meaning: it is a guard dog and a dog with a watch face. An *idiom* is a phrase that has a meaning beyond the literal meaning. For example, if you are “wasting time at the library,” you are not doing anything important, just hanging around, reading, or playing games at the library.

WEEK 1 Think about It

Before reading *The Phantom Tollbooth*, think about the following questions:

- What do you need to know when you travel to a new place?
- How important is language and food to world communities?
- How important are rules to people living in a community? Why?
- What do we learn by exploring new places and meeting new people?

Answer these questions on a separate sheet of paper or discuss your thoughts with your classmates during Workshop.

10. Compare and contrast how Milo tries to eat in Dictionopolis with his experience in Digitopolis, using specific details from the text.

11. Why does the Mathemagician think “everyone understands numbers”? Quote accurately from the text to support your answer. Do you agree or disagree with the Mathmagician? Why?

12. How does Milo convince the Mathemagician to let him rescue Rhyme and Reason? Quote accurately from the text to support your answer.

Wrap It Up

At the end of the week, clarify any vocabulary words or ideas that are still confusing. Write a prediction about how Milo will use his gifts to rescue Rhyme and Reason.

WEEK 6 Talk about It

COMPREHENSION Answer the following questions to check your understanding after you finish reading *The Phantom Tollbooth*.

Write your answers on the lines below.

1. The two characters Rhyme and Reason are missing from the land. The idiom “without rhyme or reason” means without order or sense. How do these two characters help determine the theme in this story?

2. How do the chapters fit together to provide the overall structure of *The Phantom Tollbooth*? How do the chapters connect to the map at the beginning of the book?

3. Compare and contrast the places in *The Phantom Tollbooth* to communities around the world. What is common among people and places? What kinds of things are different?

Write about It

Choose a written response to *The Phantom Tollbooth* from the following list.

- Write a new ending to the story.
- Create a board game version of the story.

Use the following steps to write:

PREWRITING Write your ideas in a story map. For writing a new ending, choose the place in the story to begin, and write ideas of what will happen. For a board game, think about the format of the game, how it begins, ways to move, and how it will end. Then write details to describe the setting, characters, and events of the plot for your writing.

DRAFTING Write a draft of the new ending or board game. Be sure to use your completed graphic organizer as a guide. Rewrite your notes as complete sentences, describing the setting, characters, and events in your own words.

REVISING Reread your draft. Does it make sense? Should you rearrange some details? If you are writing a new ending, consider adding some puns or idioms. If you are creating a board game, consider adding cards that make the player move forward or lose a turn based on events in the story.

EDITING Read your revised draft. Look for spelling errors, missing punctuation, or grammatical mistakes. Make sure your classmates can read your handwriting.

PUBLISHING Make a clean copy of your edited draft. If you wrote a new ending, consider drawing pen-and-ink illustrations to help describe events. If you created a board game, consider adding color to the board and playing the game with your classmates or family members.

Wrap It Up

At the end of the week, share and discuss your writing with others. Discuss any final questions you have about the story or the theme. List any new ideas about world communities you learned from reading, discussing, or writing about *The Phantom Tollbooth*.
